6.2 The Member shall give to the Mutual as soon as practicable notice in writing during the Period of Protection of any circumstance which they shall become aware during the Period of Protection, likely to give rise to a Claim against them. A Claim to which such circumstance has given rise and which is made after the expiration of the Period of Protection shall be deemed for the purpose of this Protection to have been made during the Period of Protection.

6.3 The Member shall bear a Retention noted in the schedule:

For the purpose of determining the Retention applicable to any indemnity provided under this Endorsement, it is expressly agreed that all acts of sexual assault, abuse or molestation or attempt(s) thereat suffered by any individual claimant shall be deemed to be arising out of one originating cause.
